CLOSURES SCHEDULED FOR SEWER REPAIR

LONG BEACH - The California Department of Transportation (Caltrans) announces the closure of westbound Pacific Coast Highway (SR-1) on-ramp to southbound Long Beach Freeway (I-710), Thursday, September 15, at 1:30 p.m. The closure is necessary to accommodate sewer pipe repair handled by the City of Long Beach. The estimated duration of the repair is four days. Caltrans asks motorists to please slow for the cone zone.

Please call the City of Long Beach, Public Works Department at (562) 570-6383 for further information about the sewer repair project.
